

# VIRTUAL SWEEPSTAKE

CLIC Sargent Homes from Home are safe havens offering free accommodation close to hospital.

Raising just £35 could fund a night's stay for a family at a Home from Home whilst receiving treatment.

## How to play

1. Choose the winning window number on the grid, write this down and pop into an envelope and source a prize for the winner. This could be a gift card (Check out our online shop) or something you can buy online
2. Send a photo of the house page to all of your family and friends. Ask them to choose a numbered window (1-35) for a suggested donation of £1. You can set up a JustGiving page to help you collect this. When they've chosen a number you can cross this out and update with another picture or just tell them what numbers are left
3. Announce the winner and celebrate! Sit back and enjoy that feeling of helping young cancer patients.
