

# It's Childhood Cancer Awareness Month, so let's cover everything in gold for September!

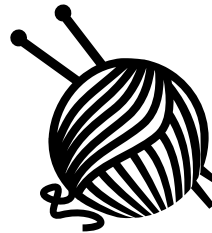

Gold ribbons... gold badges... absolutely everything goes gold to raise awareness of childhood cancer. This year our amazing supporters aren't able to sell our gold ribbon pin badges so we're asking you to make your own gold ribbon to raise awareness or head to our online shop to pick up yours!

If you'd like to make a donation while you're being creative, head to [clicsargent.org.uk/ccam](https://clicsargent.org.uk/ccam)

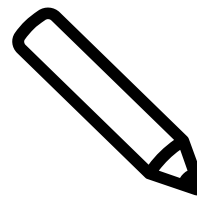

To make your CLIC Sargent ribbon and help raise awareness of childhood cancer you can:

**Cut it**

**Knit it**

**Draw it**

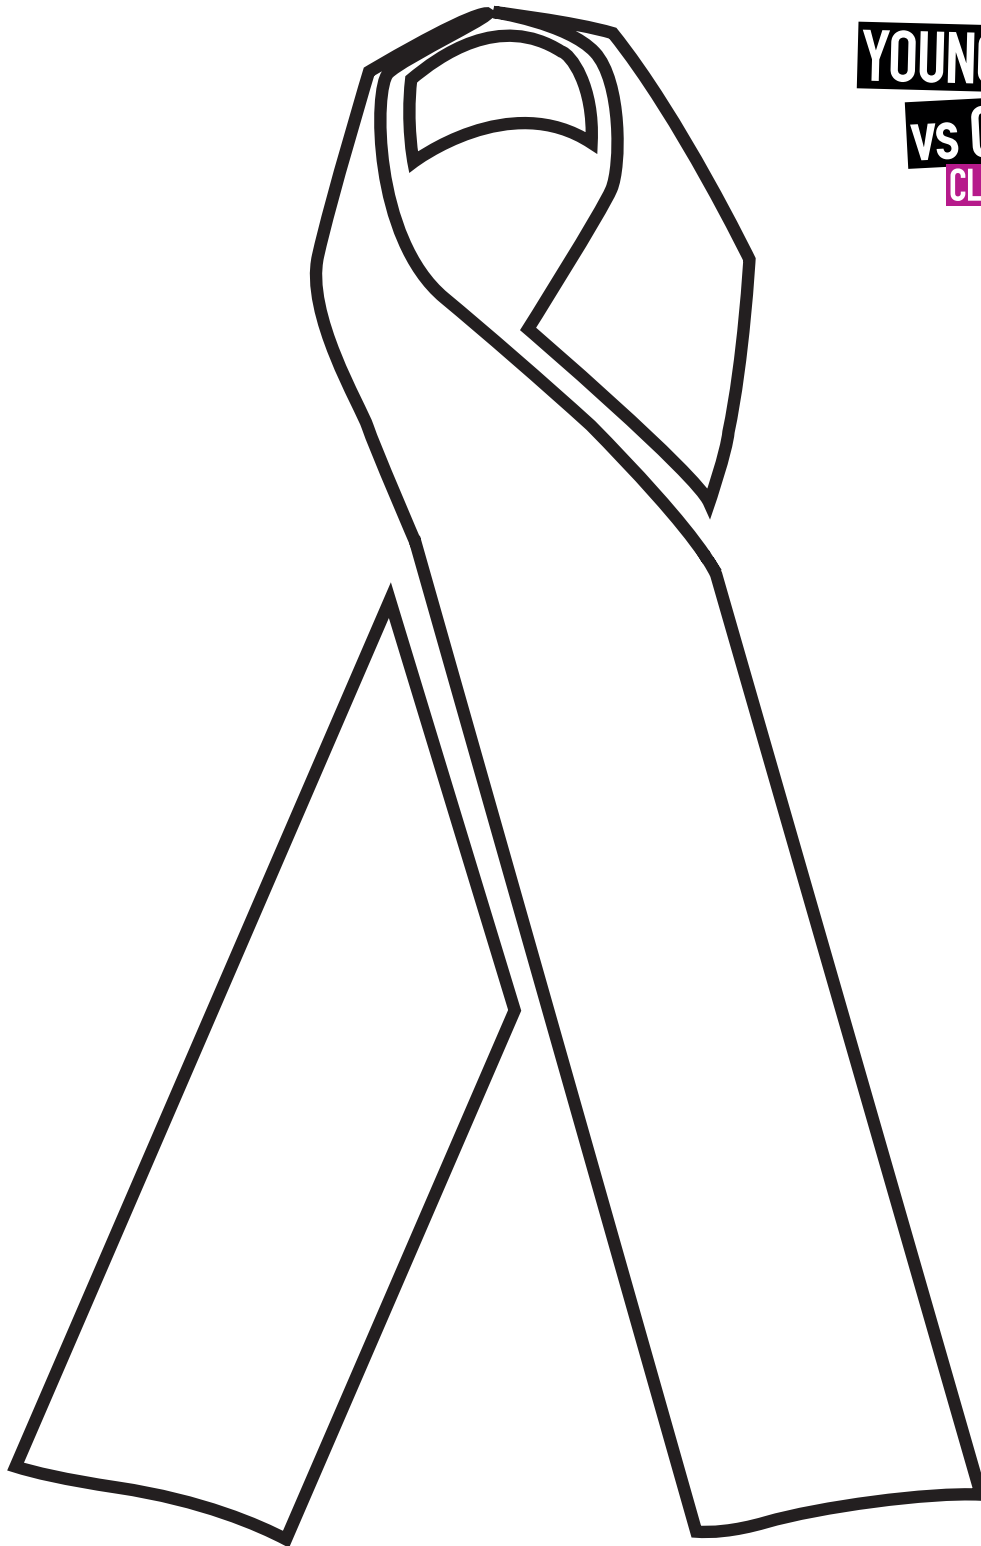

**Make it**

However you choose to make your gold ribbon, be creative and have fun!  
Show us your creation and share on Facebook or Twitter. Don't forget to tag us!

# Show your support for young cancer patients

Why not get creative, colour this in and pop it in your window
